

# Track Watch Extension Bracket

## ASSEMBLY INSTRUCTIONS

### Attaching Micro Repeater

Install Micro Repeater to the mounting pole as shown by:  
Opening the Grip Clip on the Micro Repeater,  
Lining up the clip with the large hole at the top of the pole,  
And closing Grip Clip completely to secure Micro Repeater to the mounting pole.

**NOTE:** hole is large enough to allow Grip Clip to close easily.

At 3 holes down from the top of the mounting pole, use a 3/8-16 x 2-1/2" Button Socket Cap Screw and 3/8-16 Nut with Nylon Insert to secure the mounting pole to the extension bracket.

At 3 holes up from the bottom of the mounting pole, use a 3/8-16 x 2-1/2" Button Socket Cap Screw and 3/8-16 Nut with Nylon Insert to secure the mounting pole to the extension bracket.
